

## **Frequently Asked Questions:**

### **Where did these documents come from?**

These documents are from the discovery from the state of Alabama's court case. The state is defending a law that was passed in 2022. As part of that court case these documents were produced directly from WPATH.

### **So were they leaked?**

No, these documents were released from the state of Alabama's court case. This is not the only set that has been released nor will be released.

### **Will there be more?**

Yes, the expectation is that more will be released in the coming weeks.
